## PREFACE.

---

Any person who desires to study law with a view to practising in this country, should first apply to the Benchers of the Law Society for leave to become an Articled Clerk. This leave is granted upon proof of the candidate's competency to enter upon such study. The application should be made in the manner provided by Rule 44. As soon as the candidate obtains his certificate (Form III, p. 32.) he should prepare his Articles, (Form IV, p. 32.) and have them executed and filed. He should thereupon, without delay, apply for admission to the Law Society as a Student-at-Law (Rules 48 to 50.) and be entered on the Roll, and receive his certificate (Form IX, p. 35.) Service in a Solicitor's office qualifies both for admission as a Solicitor of the Supreme Court, and for call to the Bar. Mere attendance in a Barrister's Chambers does not qualify for call, for the Degree of Barrister is conferred only upon Solicitors of at least one year's standing. The distinction between Articled Clerks and Students-at-Law is little recognized in the Profession, for the reason that each person serves in both capacities at the one time. It is, however, well to remember that one who has been permitted to enter under Articles, and is pursuing the course necessary to qualify him for admission as a Solicitor is designated an Articled Clerk; while on the other hand, one who has been admitted into the Society, and is pursuing the course necessary to qualify him for call to the Bar, is designated a Student-at-Law.

After the candidate has entered under Articles and become a Student-at-Law, three examinations await him, viz. : 1. The Intermediate Examination. 2. The Examination for Certificate of Fitness, and 3. The Examination for Call to the Bar. A careful perusal of the Rules and the Curriculum of Study will enable the student to discover the various steps to be taken in order that he may present himself in due course at these examinations, as well as the standard of knowledge demanded thereat. After due service and a strict observance of the Rules, the successful candidate will be enrolled as a Solicitor of the Supreme Court, and receive a Certificate from the Chief Clerk of the Supreme Court accordingly. After the lapse of another year, and a compliance with the Rules made in that behalf, he will be called to the Bar, and receive his Diploma from the Treasurer of the Law Society, and be enrolled as a Barrister-at-Law.

In addition to the Resolutions, Rules, Curriculum of Study, and Forms, the Benchers have caused to be published in this volume the Act of Incorporation, and the Acts of the Legislature which at present relate to the Society, a Catalogue of the Books in the Law Library, an Index of Contemporaneous Reports and other tables useful to the practitioner. They submit this book to the Members of the Society, in the hope that the information it contains may be found helpful to them.

THE BENCHERS OF THE LAW SOCIETY OF NEWFOUNDLAND IN CONVOCATION, IN SPECIAL SESSION CONVENED FOR THE CONSIDERATION OF RESOLUTIONS, RULES AND REGULATIONS, ON THE 20TH DAY OF MARCH, A.D., 1895, PASSED THE FOLLOWING

### RESOLUTIONS OF CONVOCATION:—

1. *Resolved*—That the Law Society of Newfoundland was established by Act of the Legislature of Newfoundland, 4 Wm. IV, cap. 23, (2nd session, 12th of June, 1834) section I of which Statute enacts that “it shall and may be lawful for the persons now admitted to practice in the law, and practising at the Bar of any of His Majesty’s Courts of this Island, to form themselves into a Society to be called “The Law Society of Newfoundland” as well for the establishing of order amongst themselves as for the purpose of securing to the Island and to the profession a learned and honourable body, to assist their fellow subjects as occasion may require, and to support and maintain the constitution of the Island.”

2. *Resolved*—That under that Act all persons duly entered of the Society and admitted on its books whether as students or Barristers at Law became, by such entry and admission to all intents and purposes whatsoever, members of the Society.

3. *Resolved*—That by that Act the Society was empowered with the approbation of the Judges of the Supreme Court, as visitors of the said Society, to make such rules and regulations as might be deemed necessary or proper for the Government of the Society.

4. *Resolved*—That by Rule (1) of the said Society, passed by the said Society on the 1st of July, 1834, at the first meeting summoned pursuant to the 3rd Section of that Act, and approved of by the Judges according to the said Statute, on the 6th of January 1836, it was provided that the Benchers of the said Society for the time being (who by the 7th Section of the said Act, are declared to be a Corporate body) should be considered Governors of the said Society and have full power to make such Rules and Regulations from time to time, as should or might be necessary for the welfare of the Society.

5. *Resolved*—That by that rule the whole power of making Rules and Regulations for the government of the Society was duly transferred and vested in the Convocation of Benchers.

6. *Resolved*—That by the Act 52 Vic., Cap. 22, (June 1, 1889) it was enacted (Sec. 1) that, the Law Society of Newfoundland shall continue as at present constituted, subject to the provisions of that Act, and to the Bye-Laws, Resolutions, Rules and Regulations of the said Society in force at the time that Act takes effect, except so far as the same are inconsistent with that Act, until altered by the Benchers of the said Society, pursuant to that Act; and it was further enacted (Sec. 2) that the Treasurer and Benchers of the said Society heretofore incorporated, and their successors, shall continue to be a body corporate and politic by the name of "The Law Society of Newfoundland."

7. *Resolved*—That, while the said Acts confer corporate powers upon the Treasurer and Benchers only, under the corporate name of "The Law Society of Newfoundland," the said Acts do not interfere with the right of membership of persons duly entered of the Society, and admitted on its books as Students or Barristers-at-law, but leave them members of the Law Society of Newfoundland, though not members of the corporation of "The Law Society of Newfoundland."

8. *Resolved*—That the powers conferred by the said Acts upon the Treasurer and Benchers, as well as all other powers with which they have been entrusted, are held by the said Benchers in trust for the benefit of the said Society at large, and not for the benefit of the corporation only.

9. *Whereas*, by the Act 4 Wm. IV, Cap 23, it is provided that certain rules and regulations made at the first meeting of the Society (July 1, 1834) necessary for the immediate establishment of the Society and its future welfare, and such other rules and regulations as may in time to come be then and there necessary, shall receive the approbation of the Judges of the Supreme Court as visitors:

*And whereas*, by the Act 52 Vic., Cap. 22, it is enacted that the Benchers of the Law Society may for certain purposes therein expressed, make Rules and Regulations, without providing that the approbation of the said Judges shall be necessary to give effect and validity to such Rules and Regulations, except in certain matters therein mentioned:

*And Whereas*, doubts may arise as to whether the approbation of the Judges of the Supreme Court be or be not, and to what extent, necessary to give validity and effect to such last mentioned Rules and Regulations:

*Resolved*—That the approbation of the Judges of the Supreme Court of Newfoundland is in no wise necessary to the validity of any Resolutions, Rules, Regulations, or Bye-laws made and passed by convocation, except when such rules and regulations be made and passed by Convocation, in reference to the following subjects, viz. :—

- (a) Rules and Regulations in reference to the examination of persons applying to be examined for the purpose of entering into Articles of Clerkship:
- (b) Rules and Regulations in reference to the conducting of examinations of articted clerks applying to be examined for their intermediate or final certificate in order to their admission as Solicitors:
- (c) Rules and Regulations in reference to the articles and service, and certificates required by law, to be produced by persons before admission as Solicitors:
- (d) Rules and Regulations in reference to the fitness and capacity of persons thus applying for admission as Solicitors:
- (e) Rules and Regulations as to the nomination and appointment by the Society of examiners to conduct such examinations:

Otherwise the authority of the said Judges as visitors does not extend to the control of any of the proceedings of convocation.
